

Trip Rules and Agreement of Compliance (Must be signed by student and parent)

It is everyone's desire to have a fun and successful trip. In order to insure that all participants remain safe, there are a few things all students are expected to understand. Of course, you represent NGHS and our band and we always want to leave a good impression. **Remember that we are on an extended field trip and school rules will be in effect from the time we leave to the time we return.** Please sign and return this form by one week before our departure date. This agreement must be on file before a student is allowed to travel with us.

1. There is absolutely no tolerance for tobacco products, alcohol, drug possession or use, pornography or weapons. **Any violation of this rule will get a child sent home at parent's expense.**
2. The Adults on the trip are representatives of the organization and the district. They are to be treated with respect and obeyed at all times.
3. There is to be no one out of their room after the designated hour. Violations will result in rooms being split up.
4. Always stay with the group. When we are out, you will allowed to split into smaller groups of no less than four and check in at appointed times. This way, if you are hurt, one person can stay with you, and two can go for help. This way, no one is ever on their own.
5. Treat each other with respect at all times. The adults are not around to referee fights. You are expected to get along.
- 6. No boys in girls rooms or girls in boys rooms period.**
- 7. Do not, under any circumstances, go anywhere on your own.**

=====

I agree to abide by these guidelines and understand that I will be held accountable for my actions.
