

Leadership Scholarship

Purpose:

To foster leadership and provide training to a returning Raider Band member. The skills acquired will hopefully be used to promote responsibility and further musicianship among band members.

What is it?

The scholarship provides full tuition and board to any Texas band camp for the summer term, 2008. Transportation is up to the scholarship recipient.

How do I apply?

Fill out the application on the reverse side of this letter. If you need additional space for your answers, use another sheet of paper. Include your student ID number on the sheet, reprint the question and continue your answer. Write neatly or print, remember that the committee will have to read it. Answer thoughtfully and use complete ideas. Support your statements and opinions. If you make a mistake and want another application, come get one.

When is it due?

April 25, 2008 by the end of school. We will announce the winner at either the banquet, or awards day, whichever comes first.

How is a winner selected?

The selection is blind. You will only put your ID# on the application. A committee of senior band parents will read each application, discuss the merits of each and then choose the winner based on the quality of the application. They will give the winning application to the directors, who will match the student's name to the ID#. The committee will also select an alternate, which will remain unannounced, in case the first winner cannot use the scholarship.

It is possible for someone to win the scholarship more than once.

Leadership Scholarship Application

Student ID# _____

1 - Why did you apply for this scholarship?

2 - Name three qualities of a good leader. Why did you choose these qualities?

3 - Give one example of what you have done to make the band a better organization?

4 - How will you use the experience of band/leadership camp when you return?

5 - Do you have a personal role model (not related to you)? If so, who and why?
If not, please explain why.
