# WHY DO WE NEED MONEY?

In case you haven't heard, education in Texas is always in a funding crisis. Not to mention that fine arts programs are often the first to get hit in a budget crunch.

The Raider Band enjoys the support of our administration. They give us what they can afford, and we are grateful, but band is expensive and we are a school hitting "middle age".

That means:

- Much of our equipment is now over 30 years old and needs to be replaced.
- We have to innovate to attract new students and community interest.
- Many other programs in our school have the same situation, and so, we rely on events like this to take some of the burden off candy, fruit sales and other more traditional means of fundraising that might "compete" with those groups.

Our equipment needs are too numerous to name all of them, but here are some highlights:

- We need to replace a Sousaphone that was built in 1938. (cost: \$5500)
- Our drumline equipment is turning ten years old this year. Average life expectancy for marching drums is about 6 years. (cost: \$7,000)
- The sound system in the band hall is in need of an overhaul. (cost: \$3000)

For \$75.00 per player, you can join us for a beautiful day at a beautiful golf course. Mingle with friends, participate in our putting contest, enjoy the island music of our steel band and yes, compete in our four player Florida scramble, followed by an awards ceremony in the clubhouse.

- *Entry fee - \$75.00*
- *Mulligans and other "help" available.*
- *Participate in our gaming holes*
- *Sponsor a tee or green for \$100.00*
- *Become a title sponsor! \$600.00*
